RESOLUTION AGREEMENT

I. Recitals

- 1. <u>Parties</u>. The Parties to this Resolution Agreement (Agreement) are
 - A. The United States Department of Health and Human Services, Office for Civil Rights ("HHS" or "OCR"), which enforces the Federal standards that govern the privacy of individually identifiable health information (45 C.F.R. Part 160 and Subparts A and E of Part 164, the "Privacy Rule"), the Federal standards that govern the security of electronic individually identifiable health information (45 C.F.R. Part 160 and Subparts A and C of Part 164, the "Security Rule"), and the Federal standards for notification in the case of breach of unsecured protected health information (45 C.F.R. Part 160 and Subparts A and D of 45 C.F.R. Part 164, the "Breach Notification Rule"). HHS has the authority to conduct compliance reviews and investigations of complaints alleging violations of the Privacy, Security, and Breach Notification Rules (the "HIPAA Rules") by covered entities and business associates, and covered entities and business associates must cooperate with HHS compliance reviews and investigations. See 45 C.F.R. §§ 160.306(c), 160.308, and 160.310(b).
 - B. Athens Orthopedic Clinic PA ("AOC"), which is a covered entity, as defined at 45 C.F.R. § 160.103, and therefore is required to comply with the HIPAA Rules. Since 1966, AOC provides orthopedic services to patients across Northeast Georgia. It employs approximately 398 people and serves approximately 138,000 patients annually.

HHS and AOC shall together be referred to herein as the "Parties."

2. Factual Background and Covered Conduct.

On June 26, 2016, a journalist from "www.databreaches.net" notified AOC that "a database of patient records" suspected to belong to AOC was posted online for sale. On June 28, 2016, a hacker group known as "The Dark Overlord" contacted AOC by email and demanded money in return for a complete copy of the database it stole without sale or further disclosure. It was determined, through computer forensic analysis, that the Dark Overlord had obtained a vendor's credentials to AOC's system and used them to gain access on June 14, 2016. While AOC terminated the compromised credentials on June 27, 2016, the Dark Overlord's continued intrusion was not effectively blocked until July 16, 2016.

It was determined that 208,557 individuals were affected by this breach. Due to the breadth of system applications affected, a variety of protected health information (PHI) was exposed including patient demographic information (name, date of birth, social security number, etc.), clinical information (reason for visit, "social history," medications, test results, medical procedures, etc.), and financial/billing information (health insurance information, payment history).

OCR's investigation indicated potential violations of the following provisions of the HIPAA Rules ("Covered Conduct"):

- A. The requirement to prevent unauthorized access to the ePHI of 208,557 individuals whose information was maintained in AOC's information systems. (See 45 C.F.R. §164.502(a)).
- B. Until August 2016, the requirement to maintain copies of AOC's HIPAA policies and procedures. *See* 45 C.F.R. § 164.530(i) and (j).
- C. From September 30, 2015 to December 15, 2016, the requirement to implement sufficient hardware, software, and/or procedural mechanisms that record and examine activity in information systems that contain or use ePHI. See 45 C.F.R. §§ 164.312(b).
- D. Until August 7, 2017, the requirement to enter into business associate agreements with three of its business associates, Quest Records LLC, Total Technology Solutions, and SRS Software LLC. See 45 C.F.R. § 164.308(b)(3).
- E. Until January 15, 2018, the requirement to provide its entire workforce with HIPAA training. *See* 45 C.F.R. § 164.530(b).
- F. The requirement to conduct an accurate and thorough assessment of the potential risks and vulnerabilities to the confidentiality, integrity, and availability of ePHI held by AOC. See 45 C.F.R. § 164.308(a)(1)(ii)(A).
- G. The requirement to implement security measures sufficient to reduce risks and vulnerabilities to a reasonable and appropriate level. See 45 C.F.R. § 164.308(a)(1)(ii)(B).
- 3. <u>No Admission</u>. This Agreement is not an admission, concession, or evidence of liability by AOC.
- 4. <u>No Concession</u>. This Agreement is not a concession by HHS that AOC is not in violation of the HIPAA Rules and that AOC is not liable for civil money penalties.
- 5. <u>Intention of Parties to Effect Resolution</u>. This Agreement is intended to resolve HHS Transaction Number 16-245007 and any violations of the HIPAA Rules related to the Covered Conduct specified in Section I, Paragraph 2 of this Agreement. In consideration of the Parties' interest in avoiding the uncertainty, burden, and expense of further investigation and formal proceedings, the Parties agree to resolve this matter according to the Terms and Conditions below.

II. Terms and Conditions

- 1. <u>Payment</u>. AOC agrees to pay to HHS the amount of \$1,500,000 ("Resolution Amount"). AOC agrees to pay the Resolution Amount on or before August 7, 2020 by automated clearing house transaction pursuant to written instructions to be provided by HHS.
- 2. <u>Corrective Action Plan</u>. AOC has entered into and agrees to comply with the Corrective Action

- Plan ("CAP"), attached as Appendix A, which is incorporated into this Agreement by reference. If AOC breaches the CAP, and fails to cure the breach as set forth in the CAP, then AOC will be in breach of this Agreement and HHS will not be subject to the Release set forth in Section II, Paragraph 3 of this Agreement.
- 3. Release by HHS. In consideration and conditioned upon AOC's performance of its obligations under this Agreement, HHS releases AOC from any actions it may have against AOC under the HIPAA Rules for the Covered Conduct identified in Section I, Paragraph 2. HHS does not release AOC from, nor waive any rights, obligations, or causes of action other than those specifically referred to in that paragraph. This release does not extend to actions that may be brought under section 1177 of the Social Security Act, 42 U.S.C. § 1320d-6.
- 4. Agreement by Released Parties. AOC shall not contest the validity of its obligations to pay, nor the amount of, the Resolution Amount or any other obligations agreed to under this Agreement. AOC waives all procedural rights granted under Section 1128A of the Social Security Act (42 U.S.C. § 1320a- 7a) and 45 C.F.R. Part 160 Subpart E and HHS Claims Collection regulations at 45 C.F.R. Part 30, including, but not limited to, notice, hearing, and appeal with respect to the Resolution Amount.
- 5. <u>Binding on Successors</u>. This Agreement is binding on AOC and its successors, heirs, transferees, and assigns.
- 6. <u>Costs</u>. Each Party to this Agreement shall bear its own legal and other costs incurred in connection with this matter, including the preparation and performance of this Agreement.
- 7. <u>No Additional Releases</u>. This Agreement is intended to be for the benefit of the Parties only, and by this instrument the Parties do not release any claims against or by any other person or entity.
- 8. <u>Effect of Agreement</u>. This Agreement constitutes the complete agreement between the Parties. All material representations, understandings, and promises of the Parties are contained in this Agreement. Any modifications to this Agreement shall be set forth in writing and signed by all Parties.
- 9. Execution of Agreement and Effective Date. The Agreement shall become effective (*i.e.*, final and binding) upon the date of signing of this Agreement and the CAP by the last signatory ("Effective Date").
- 10. Tolling of Statute of Limitations. Pursuant to 42 U.S.C. § 1320a-7a(c)(1), a civil money penalty ("CMP") must be imposed within six (6) years from the date of the occurrence of the violation. To ensure that this six-year period does not expire during the term of this agreement, AOC agrees that the time between the Effective Date of this Agreement (as set forth in Section II, Paragraph 9) and the date the Resolution Agreement may be terminated by reason of AOC's breach, plus one-year thereafter, will not be included in calculating the six (6) year statute of limitations applicable to the violations which are the subject of this agreement. AOC waives and will not plead any statute of limitations, laches, or similar defenses to any administrative action relating to the Covered Conduct identified in Paragraph 2 of Section I that is filed by HHS within the time period set forth above, except to the extent that such defenses would have been

- available had an administrative action been filed on the Effective Date of this Resolution Agreement.
- 11. <u>Disclosure</u>. HHS places no restriction on the publication of the Agreement. This Agreement and information related to this Agreement may be made public by either Party. In addition, HHS may be required to disclose this Agreement and related material to any person upon request consistent with the applicable provisions of the Freedom of Information Act, 5 U.S.C. §552, and its implementing regulations, 45 C.F.R. Part 5.
- 12. Execution in Counterparts. This Agreement may be executed in counterparts, each of which constitutes an original, and all of which shall constitute one and the same agreement.
- 13. <u>Authorizations</u>. The individual(s) signing this Agreement on behalf of AOC represent and warrant that they are authorized by AOC to execute this Agreement. The individual(s) signing this Agreement on behalf of HHS represent and warrant that they are signing this Agreement in their official capacities and that they are authorized to execute this Agreement.

V. Corrective Action Obligations

AOC agrees to the following:

A. <u>Business Associate Agreements</u>

- 1. Within sixty (60) days of the Effective Date and annually following the Effective Date, AOC shall review all relationships with vendors and third party service providers to identify business associates. AOC shall provide HHS with the following:

 - b. create a process for assessing AOCs current and future business relationships to determine whether each relationship is with a "business associate," as that term is defined under the HIPAA Rules, and requires AOC to enter into a business associate agreement;

AOC shall assess, update, and revise, as necessary, the policies and procedures at least annually. AOC shall provide such revised policies and procedures to HHS for review and approval. Within thirty (30) days of any approved revisions, AOC shall distribute such revised policies and procedures to all workforce members.
